OFFICE OF THE CONTROLLER. CIVIL SUPPLIES AND ADDITIONAL TEXTILE COMMISSIONER IN MYSORE, BANGALORE.

(DEPARTMENT OF CIVIL SUPPLIES)

Notification dated 24th July—3rd August 1945.

No. T4.-1081. With a view to prevent excessive purchases of cloth by individuals on the one hand and indiscriminate sales by retailers on the other, it is considered necessary to regulate the sales by retailers with due reference to the average *per capita* sales of cloth in Bangalore City and the limited supplies of mill cloth now available for distribution. In exercise of the powers conferred upon me by clause 12-B of the Cotton Cloth and Yarn (Control) Order, 1943, I hereby direct the retailers of Bangalore City to make sales of cloth to consumers only against production of cloth coupons issued by the Department of Civil Supplies. While the cloth coupons fix only the limit upto which purchases can be made by a consumer the retailers are, generally, to see that sales of cloth are made in accordance with the quantities usually consumed within this limit by the purchasers on an average during the previous years and not in excessive quantities. In the case of Mills, Factories and other large employers of labour where recognised arrangements have existed for issuing cloth to their employees according to definite scales, the limit of quantity *per capita* admissible under the cloth coupons will not be applicable and in such cases, employers and dealers may continue to make issues of cloth to the employees on the same basis as has been adopted hitherto during the previous years.
